

# Community Planning *get involved...*

Tolmie  
Today & tomorrow  
2011 - 2018

## Community Meeting

**12pm, Sunday 18 October**

Tolmie Hall at the Recreation Reserve

Follows Sports Association Working Bee starting 9am—All Welcome!

*Come along, enjoy a bite to eat and a drink with friends and neighbours, meet some new ones and have a say in planning for the future of your community.*

The Tolmie Community Plan was launched in 2011 and since then the community has progressed rapidly through its actions and a number of new residents have joined the community.

As well as having a social BBQ we will review the Tolmie Community Vision and Plan by:

- Celebrating what has already been achieved
- Reflecting on what worked well in projects successfully completed
- Review projects that haven't been completed and identify any new ones
- Identify the characteristics of resilience in your community and what your community values most to help plan for risks associated with the local environment

**Please RSVP—BBQ and salads provided. BYO chair and drinks. Kids welcome.**
